MEMORANDUM FOR: George C. Miller
Robert M. Chapman
Carl E. Buckett

SUBJECT: Space Allocation in Headquarters Building

25X1 1. [] has recently made me aware of requests for additional office space in this building made by all addressees.

25X1 2. For a whole variety of reasons, it is going to be extremely difficult, if not impossible, to have additional space allocated to this Directorate for the next three or four months. As an exception to this, however, there is a very good probability that some relief can be given to OEL and [] will work directly with Mr. Miller on this matter.

25X1 3. In the very near future, both [] and I will have additional discussions with you on this matter and in the meantime we will endeavor to see whether or not there is any possibility of realignment of space within the Directorate so as to ease our own problems.

25X1 Signed: John F. Blake
